

**Gainesville Veterinary Hospital  
1363 Thompson Bridge Road  
Gainesville, GA 30501  
770-532-0491**

This document is to confirm that your pet is scheduled for surgery / dental. Our check in time is between 7:30 AM and 8:30 AM.

Please bring both the Pre-Anesthetic and the Surgical Consent forms with you when you drop off your pet the morning of surgery. By reading and signing both these forms, your check-in time will be greatly reduced.

Pre-Anesthetic blood work gives the Doctor an inside look at some of your pet's vital internal organs. We are especially concerned with the health of the liver and kidneys as these organs help the body get rid of the medications used during anesthesia. We strongly recommend allowing us to complete this simple blood work to help insure the safety of your pet.

**PRE-SURGERY / DENTAL CHECKLIST**

1. Remove all food and water prior to midnight the night before your pet's procedure.
2. Sign both the Surgical and Pre-Anesthetic Consent forms and bring them with your pet.
3. Give lots of extra pats and kisses!

All patients at Gainesville Veterinary Hospital are closely monitored while under anesthesia. This along with Pre-Anesthetic screening reduces the risk to the lowest level.

If you have any questions regarding the Pre-Anesthetic blood testing or your pet's upcoming procedure, please give us a call at 770-532-0491.

We look forward to seeing you and your pet.

Sincerely,  
The Staff at Gainesville Veterinary Hospital
